Instructions to Petitioner

- 1. This petition for review should be filed in the circuit court of the county in which the assignment was made.
- Make sure to attach a copy of the "SATOP Notice of Offender Assignment Form" (A3) with this petition before filing.
- The filing of this petition is a civil action for which you will be expected to pay a civil cost deposit at the time of filing.
- 4. It is best if you use the name of a service provider (i.e., the business or company) for the respondent instead of the individual who administered the test and held the personal interview with you. If you use the name of the individual, there may be times when the person no longer works for the provider and the petition cannot be served upon them. The court may dismiss the case if service cannot be made on the party listed as the respondent.
- 5. The court clerk will provide a copy of this petition to the sheriff or server to deliver to the respondent.
- This does not exempt the petitioner from any condition of probation requiring completion of a Substance Abuse Traffic Offender Program (SATOP).

Special issues for out of state clients

- •SATOP comparable form at DMH website
- Can delay & ignore Mo RDP, LDP, denials, reinstatements
 - •But it will catch up to them when go to renew in home state or if caught driving (maybe in their state, certainly in Mo)
