Dear Governor Parson:

Enclosed please find the budget request for FY 2023 for Missouri State Public Defender (MSPD). MSPD is grateful for the additional attorney resources provided in the FY 2022 budget. That appropriation, which increased our trial division staff by fifty-three attorneys, will allow MSPD to move forward in fulfilling its constitutional obligation to provide effective representation to the indigent accused. By improving the public defender system, the State is also improving the court process by allowing the Court to resolve cases in a timely manner.

MSPD attorneys can most effectively and efficiently provide legal representation to eligible clients when they are supported by legal assistants and investigators. Currently MSPD has one investigator for every eight attorneys and one support staff member for every three attorneys. As a result, attorneys are often called upon to perform secretarial, administrative and investigative work. Cases are delayed in the court system as the limited support staff work to obtain applications for services, police investigation documents medical and mental health treatment records and perform essential investigation. By increasing support staff MSPD can allow attorneys to perform attorney functions and decrease the delays, which are detrimental not only to the defendant, but also to the State, the counties, the courts and the complaining witnesses.

Working together with other State partners and MSPD supporters, we have made significant progress in decreasing waitlists for public defender services. In FY 2020, almost five thousand cases needed representation. That number is now near 600 and the hope is to provide representation in all of those cases by the end of the 2021 calendar year. Part of that reduction was the result of a generous gift to MSPD. That gift, however, had to be channeled through the local jurisdiction because there was no way for MSPD to accept gifts. MSPD will be requesting a change to the statute to allow MSPD to accept and expend Federal and Other Funds (0112). A decision item is included to increase this spending authority.

MSPD is also requesting to increase the transfer limit for the Debt Offset Fund (0753). The amount of client's income tax refunds intercepted by the Department of Revenue has increased for fees owed to the Public Defender System. The same amount is also requested in the appropriation (7673) which receives the transfer of funds from Debt Offset. MSPD would benefit from having additional funds available to pay necessary expenses.

It is with appreciation for the State's support of the constitutional right to counsel and renewed hope for the continued improvement of our state's public defense system that MSPD submits this FY 2023 budget request.

Sincerely,

Mary Fox
Director

PROGRAM DESCRIPTION	
Department: <u>Missouri State Public Defender</u>	HB Section(s): <u>HB 12.400</u>
Program Name: <u>Public Defender</u>	
Program is found in the following core budget(s):	<p style="text-align: center;">This program is found in all MSPD core budgets.</p> <p style="text-align: center;">MSPD has only one mission and only one program - to provide effective legal representation to indigent persons accused of crime.</p>
<p>1a. What strategic priority does this program address?</p> <p>The single overriding goal of the Office of the Missouri State Public Defender is to provide effective criminal defense representation for its clients fulfilling the State's constitutional mandate to provide legal representation to the poor charged with criminal offenses who are unable to retain counsel on their own. Strategies to accomplish this mission have been identified and implemented with continued refinements to enhance productivity and efficiencies, reducing costs and eliminating waste in the processes and operations that deliver such services.</p> <p>1b. What does this program do?</p> <p>The Missouri State Public Defender (MSPD) is a statewide system that provides legal representation to poor persons who are accused or convicted of state crimes. That representation occurs in Missouri's trial, and appellate courts, as well as in the United States Supreme Court. MSPD'S representation of eligible applicants fulfills the state's constitutional mandate to provide counsel pursuant to the Sixth Amendment of the United States Constitution and Article I, Section 18 of the Missouri Constitution.</p>	

PROGRAM DESCRIPTION

Department: Missouri State Public Defender

HB Section(s): HB 12.400

Program Name: Public Defender

Program is found in the following core budget(s):

This program is found in all MSPD core budgets.
MSPD has only one mission and only one program - to provide effective legal representation to indigent persons accused of crime.

2a. Provide an activity measure(s) for the program.

MSPD tracks both intake of new cases and resolution of disposed cases. MSPD also tracks outcomes of those cases. Many cases take more than a year from assignment to disposition and many more do not fall neatly, start to finish, within a single fiscal year. The chart reflects the reality that no lawyer begins the fiscal year with an empty file drawer. At the start of FY2021, Missouri's Trial Division public defenders had over 29,712 pending cases already on their desks, to which another 52,037 new cases were assigned over the course of the fiscal year.

PROGRAM DESCRIPTION	
Department: <u>Missouri State Public Defender</u>	HB Section(s): <u>HB 12.400</u>
Program Name: <u>Public Defender</u>	
Program is found in the following core budget(s):	<p style="text-align: center;">This program is found in all MSPD core budgets.</p> <p style="text-align: center;">MSPD has only one mission and only one program - to provide effective legal representation to indigent persons accused of crime.</p>
<p>2b. Provide a measure(s) of the program's quality.</p> <p>MSPD provides representation to the majority of persons facing criminal charges in Missouri's courts. Each eligible applicant is assigned to an individual Assistant Public Defender who is responsible for the representation of the client. MSPD measures incoming cases by charges filed by the State and jurisdiction in which the charges are pending. MSPD measures disposition of the cases by the final outcome of the case; i.e. trial, guilty plea, dismissal, etc. Any case which results in a conviction is eligible for post conviction review by both circuit and appellate courts. MSPD is generally responsible for providing representation in those cases also.</p> <p>The attorneys of MSPD have a duty to represent the eligible indigent defendants that request legal representation, but those attorneys must balance the rights of those eligible defendants with the obligations of the attorney to provide competent and effective assistance. Because more cases are eligible for legal representation at public expense than the State has provided resources to handle, twelve trial offices currently have court authorized waitlists for services. Eligible applicants on those waitlists must appear in court without counsel until an attorney is available to provide legal representation.</p> <p>As Chief Justice Draper noted in his State of the Judiciary speech in January, 2020 <i>"the system simply does not work without a sufficiently funded and staffed public defender system. To be sure, all attorneys in public service work long, hard hours, and many are underpaid and under-recognized. But if criminal cases cannot be moved efficiently through the system because of overloaded attorneys, we risk leaving those who are guilty on the street, those who are not guilty unable to return to being productive members of society, and victims and their families powerless to find closure and move forward with their lives. Together, we all share the burden of our state constitutional mandate demanding that 'justice shall be administered without sale, denial or delay.'</i>"</p> <p>MSPD's ability to provide quality, timely representation is affected by the amount of resources available in relation to the number of cases in need of representation.</p>	

PROGRAM DESCRIPTION	
Department: <u>Missouri State Public Defender</u>	HB Section(s): <u>HB 12.400</u>

Program is found in the following core budget(s):	<p style="text-align: center;"> This program is found in all MSPD core budgets. MSPD has only one mission and only one program - to provide effective legal representation to indigent persons accused of crime. </p>
2c. Provide a measure(s) of the program's impact.	
<p>As noted above, MSPD is the independent statutory department that provides legal representation at the public expense to any eligible applicant as required by the Sixth Amendment of the United States Constitution and Article I, Section 18 of the Missouri Constitution. Missouri's criminal courts would come to a standstill without MSPD. At any time, MSPD is the defense attorney of record in the majority of criminal cases pending in those courts. Chief Justice Draper explained the danger to Missouri without a funded public defender system is that the guilty will go free, the innocent will be unable to return to their communities and victims will not have closure.</p>	
2d. Provide a measure(s) of the program's efficiency.	
<p>There are three primary measures of effectiveness applicable to the Missouri State Public Defender System:</p> <p>(1) Case Law: Through cases ruled upon by the United States Supreme Court, the Missouri Supreme Court and Courts of Appeal, specific standards of what does or does not constitute effective assistance of counsel in the representation of a criminal defendant have evolved. Where an attorney is found by the court to have failed to meet those standards, any conviction of the defendant must be set aside.</p> <p>(2) Missouri Rules of Professional Responsibility are established by the Missouri Supreme Court and applicable to every attorney licensed to practice law within the State of Missouri. The Rules set out what is expected from a competent, professional attorney and are enforced by the Missouri Supreme Court through its Office of Chief Disciplinary Counsel. Failure to comply with these rules can result in actions being taken against the attorney's license, ranging from a formal reprimand up to and including permanent disbarment from the right to practice law within the state.</p> <p>(3) MSPD Guidelines for Representation adopted by the Missouri State Public Defender Commission, which set out the Commission's expectations of its attorneys in order to meet the above standards for effective representation of clients served by Missouri Public Defenders.</p> <p>Unfortunately, the Missouri State Public Defender System is not currently able to meet many of these standards because it is staffed to handle only a percentage of the total caseload assigned to it this last year. The overload has forced lawyers and investigators alike to cut corners, skip steps, and make on-the-fly triage decisions in order to keep up with cases coming in the door. As a result, effectiveness in many of these cases is compromised.</p>

Provide the amount by fund of personal service flexibility and the amount by fund of expense and equipment flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed. If flexibility is being requested among divisions, provide the amount by fund of flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed.	
DEPARTMENT REQUEST	
<p>As in previous years, the Office of the State Public Defender is requesting full flexibility in our legal services appropriations. (Appropriations 0911, 0912 and 8727). Due to the turnover of attorney positions, the number of conflicts and the overload of cases, it is frequently necessary to transfer cases from state employees (Appropriation 0911) to private counsel who can be compensated from appropriation 0912 or 8727.</p> <p>It is also necessary to transfer vacancy savings dollars from the Personal Service Appropriation to the Expense and Equipment Appropriation to cover appropriation shortfalls in case litigation expenses and increasing office expenses such as travel, postage, equipment maintenance and network charges.</p>	
2. Estimate how much flexibility will be used for the budget year. How much flexibility was used in the Prior Year Budget and the Current Year Budget? Please specify the amount.	
PRIOR YEAR ACTUAL AMOUNT OF FLEXIBILITY USED	CURRENT YEAR ESTIMATED AMOUNT OF FLEXIBILITY THAT WILL BE USED
\$550,387.00	\$1,500,000
3. Please explain how flexibility was used in the prior and/or current years.	
PRIOR YEAR EXPLAIN ACTUAL USE	CURRENT YEAR EXPLAIN PLANNED USE
\$550,387 was transferred from Personal Service (0911) to Expense & Equipment (0912). In FY21 most of the transferred money was used to reduce waitlists of public defender eligible defendants.	Flexibility will be utilized to best meet the caseload demands of the State Public Defender System. Dollars from Personal Service vacancy savings could be used to meet the costs of operating the local offices or to contract out cases to private bar as the need arises or to pay for increasing necessary litigation expenses.

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

Missouri is constitutionally mandated to provide legal representation at the public's expense to poor persons who have been charged with a criminal offense who are unable to hire counsel. MSPD is the independent statutory department created to fulfill that obligation. MSPD was established in 1982 and has struggled for much of its existence to obtain the necessary resources to fulfill that constitutional mandate. In Fiscal Year FY2022 MSPD was authorized to hire an additional 53 assistant public defenders to address excessive caseloads. In addition, 4 positions were added to provide representation at parole hearings.

Although the 53 new attorney FTE were greatly needed and appreciated, this addition of attorney staff exacerbated the challenges facing the already overburdened support staff in many of the offices. District Defenders were surveyed to determine the type of assistance that would provide the most benefit to their office. The results of the survey are reflected on the following pages.

If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

Currently, MSPD has one investigator for every eight attorneys and one support staff member for every three attorneys. As a result, attorneys are often called upon to perform secretarial, administrative and investigative work. Cases are delayed in the court system as the limited support staff obtain applications for services, police investigation documents and medical and mental health treatment records and perform essential investigation. By increasing MSPD support staff we can decrease the delays, which are detrimental not only to the defendant, but also to the State, the courts and the complaining witnesses.

2. CORE DESCRIPTION

This appropriation was established to cover three main types of expenses.

VIOLENT CRIMES: Payment of expenses associated with the defense of violent crimes, including those charged as sexually violent predators and death penalty cases.

LITIGATION EXPENSES: Litigation expenses are also paid out of the appropriation. These would include, but are not limited to, such things as mental health evaluations by experts, depositions, interpreters, medical records, transcriptions, exhibits, immigration consultations, fingerprint experts, handwriting analysis, etc. There has been no increase in funding for litigation expense since fiscal year 1996.

CONFLICT CASES: A conflict requiring a case to be contracted out to private counsel occurs when there are multiple co-defendants charged in a particular incident. The co-defendants each require conflict free counsel who can investigate and negotiate the case independently, including any negotiation of testimony against another co-defendant.

3. PROGRAM LISTING (list programs included in this core funding)

The Missouri State Public Defender (MSPD) is a statewide system that provides legal representation to poor persons who are accused or convicted of state crimes. That representation occurs in Missouri's trial, and appellate courts, as well as in the United States Supreme Court. MSPD's representation of eligible applicants fulfills the state's constitutional mandate to provide counsel pursuant to the Sixth Amendment of the United States Constitution and Article I, Section 18 of the Missouri Constitution.

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

When MSPD fees are intercepted from prior client's Missouri State Income Tax refunds, the Department of Revenue places the intercepted dollars in a temporary escrow fund. MSPD's FY2021 appropriation (spending authority) from this fund is currently set at \$1,700,000. As the intercepts exceeded the appropriation limit in FY2021 by approximately \$870,000, that \$870,000 was transferred at the beginning of FY2022. This transfer at the beginning of FY2022, will cause the FY2022 appropriation to be insufficient. If the collection of fees remains constant from FY2021 to FY2022, the insufficiency will be doubled.

The statutory authority for setting off debts owed to the State of Missouri against tax refunds is RSMo.143.786.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

It is estimated up to an additional \$750,000 may be placed in escrow by the Department of Revenue in FY2023.

5. BREAK DOWN THE REQUEST BY BUDGET OBJECT CLASS, JOB CLASS, AND FUND SOURCE. IDENTIFY ONE-TIME COSTS.
