

# HOW TO: Get a Library Card

With few exceptions the process for getting a library card is the same:

1. It is done in person
2. A photo ID is required
3. If the address on the ID is not correct a proof of address is required. For the unhoused a letter from MSPD stating the applicant's area of residence should suffice.
4. There is no membership fee unless one resides outside city or coverage area limits

## Digital Only Options

Some libraries let people living in their area access their online library collection using a digital library card. This means you don't have to visit the library in person. Furthermore, the Brooklyn Public Library offers free access to their digital books for anyone aged 13 to 21, no matter where they live. You can get this access by emailing
